Dear Chris:

It's been a pleasure e-mailing you. Enclosed are a bunch of my columns from the *Welcomat*. I tried to provide a variety of musical subjects (please note that sometimes several musicians and styles are covered) so you could get an idea both of my writing style and range of knowledge. Also enclosed is a resume and a list of musicians I've interviewed.

Thanks for your consideration, and I hope to be working with you in the future.

Sincerely,

Peter Brown
